

Tuition Assistance

Ste. Rose de Lima Parish Subsidy

Ste. Rose de Lima Parish families who attend Mass and use their weekly Mass envelopes at least 60% of the calendar year, or 60 % of the time since joining the parish will earn \$550.00 per child for the following school year. Parish subsidy is not dependent on anything except Mass attendance and using your church envelopes. Church envelopes are only counted on the day used. Dropping more than one envelope in at one time gets recorded as one church attendance.

Ste. Rose de Lima Bingo Subsidy

Ste. Rose de Lima Parish bingo is held on Saturday nights in the church hall. Volunteers receive tuition subsidy. Volunteers must work once a month for 12 times per calendar year to get full subsidy. Example: Once a month in 2016 equals 12 times working bingo and, therefore, eligible for subsidy at registration in 2017.

Bingo subsidy depends on the position and hours spent working bingo. Families can earn a potential \$400.00 to \$800.00 per student. Again in order to reach your subsidy goal, workers must attend, or find a substitute for, every scheduled bingo shift during the calendar year. Volunteers not fulfilling their obligation will not receive their expected subsidy. Bingo subsidy is a stand-alone subsidy and is not dependent upon anything except fulfilling your bingo schedule. Call the Business Office for a list of bingo jobs.
